

# Jon Martínez Rico

Tekniker Research Center  
University of the Basque Country (UPV/EHU)

jon.martinez@tekniker.es

 [0000-0003-0204-5272](https://orcid.org/0000-0003-0204-5272)

## Studies

- B. Sc. Renewable Energies Engineering
- M. Sc. Sustainable Energy Engineering
- PhD in Hybrid Power Plants (currently finishing) → Research stay in Aalborg University

## Experience in HyPP

- Energy Management Systems (optimal market participation and BESS use)
- Power Management Systems (controller development for grid-code compliance)
- BESS sizing tool for grid-connected HyPP (licensed and with current clients)

**Interests in IEA Wind TCP Task 50: WP3 and WP4**
