The IEA Task 41 meeting is followed by the 9th International Conference on Small and Medium Wind Energy on 24-25 September. Register for the event: <https://www.folkecenterevents.net/pages/9th-Small-Wind-Conference-2024.html#Register>. Please note that DTU will be holding a workshop on social acceptance in support of IEA Task 41 on 24 September.

The Folkecenter is arranging for an excursion to Hamburg Wind 2024 on 26 September 2024: <https://www.windenergyhamburg.com/>. They are looking to arrange transportation to the event, but you will need to register for it on your own and may need to contribute funds for transportation.
